Industry Veteran Assumes Leadership Role With Executive Recruiter

Heritage Partners International (HPI) recently announced that Tig Conger has joined the firm as a partner in its New Haven, CT office. He joins the life sciences recruiting and consulting firm following a successful 20 year career in commercial operations with Searle, Aventis and Bayer where he was responsible for the successful management of major product launches in a number of therapeutic areas both in the U.S. and Europe. At HPI his work is focused on pharmaceutical and biotechnology companies with particular expertise in sales and marketing assignments.

Most recently he was Vice President of Marketing for Bayer's U.S. Pharmaceutical Division where he was responsible for Anti-Infective and Hospital products and previously their cardiovascular products. At Aventis, Tig was Director of Marketing for Cardiovascular and Allergy products and responsible for the development and management of several strategic alliances. Tig's consulting career began at Hayes/Hill where he was a Senior Associate in the strategy practice.

Heritage Partners International (HPI) is a senior level executive search firm that focuses on delivering superior work to a select group of clients globally in the Life Sciences Industry (www.HeritageLeaders.com). The firm was founded by several senior consultants who had previously held leadership positions with the large, general practice firms including Heidrick & Struggles, Spencer Stuart and Russell Reynolds. In addition, our partners have held senior positions at leading pharmaceutical and biotechnology companies in the United States and Europe.

HPI works in partnership with Whitehead Mann, a leading European based executive search and consulting firm, to provide global services to its clients.
